

Dear online learner:

After having done this portfolio thinking of you, I hope it is as useful for you as it has been for me.

Here I want to share with you a simple index and some recommendations to surf this portfolio.

Remember ...

- + most of the programs and web tolos 2.0 required login steps, so be careful when giving personal information.
- + When going through my portfolio, just keep in mind you have the opportunity to go forward or backwards just by clicking on the searching bottoms .
